

Using the 4N6 Fanatics Extemp Topic Generator

1. After logging into 4N6 Fanatics, access the EXTEMP TOPIC GENERATOR (ETG) by clicking on the Extemp Topic Generator link in the red menu bar at the top the page. The Search Engine screen appears below.

The screenshot shows the 'Extemp Topic Generator' interface. It has a header bar with the title. Below it are three main sections: 'Domestic', 'Date', and 'Foreign'. The 'Domestic' section contains a list of topics: Business and Economics, Crime and the Courts, Education and the Environment, Elections and Politics, Entitlements, Health and Health Care, Military and National Security, Space, Science and Technology, State and Social Issues, and U.S. Government. The 'Date' section shows '2022 Jul'. The 'Foreign' section contains a list of regions: Africa, Central and South America, China, The Koreas and Japan, Eastern Europe, Russia and Australia, International Relations and Organizations, Middle East, North America, Pakistan, India and Southeast Asia, and Western Europe. Below these sections are three buttons: 'Domestic', 'Reset', and 'Foreign'. At the bottom of the interface are two buttons: 'View Questions From Both' and 'View All Extemp Questions'.

To randomly generate 3 topics (as in a draw for an extemp round)

2. Select the Month/Year you would like to retrieve
3. Click on one of the following buttons

- **DOMESTIC:** Will generate only Domestic (DX) questions which will be **shown in blue**
- **FOREIGN:** Will generate only Foreign (FX) questions which will be **shown in red**
- **VIEW QUESTIONS FROM BOTH:** **DX will appear in blue** and **FX will appear in red**

Domestic Topics are Blue | Foreign Topics are Red

Topic	Question	Month/Yr	FX or DX
Middle East	Should Israel be internationally declared an apartheid state?	07/2022	Foreign
Elections and Politics	Has the GOP lost its footing to political extremists?	07/2022	Domestic
Entitlements, Health and Health Care	Why are minorities bearing the brunt of monkeypox cases in the US?	07/2022	Domestic

To narrow the random “Draw” by topic

4. Select topic(s) from either the DX and/or FX lists by clicking on the topic. To select more than one topic, hold down the shift key while making your selections.
5. You may select any number of narrowing options from any of the option boxes. Just ensure that the shift key is held down while making all selections.
6. Once selections are made, return to STEP 2 (see above).

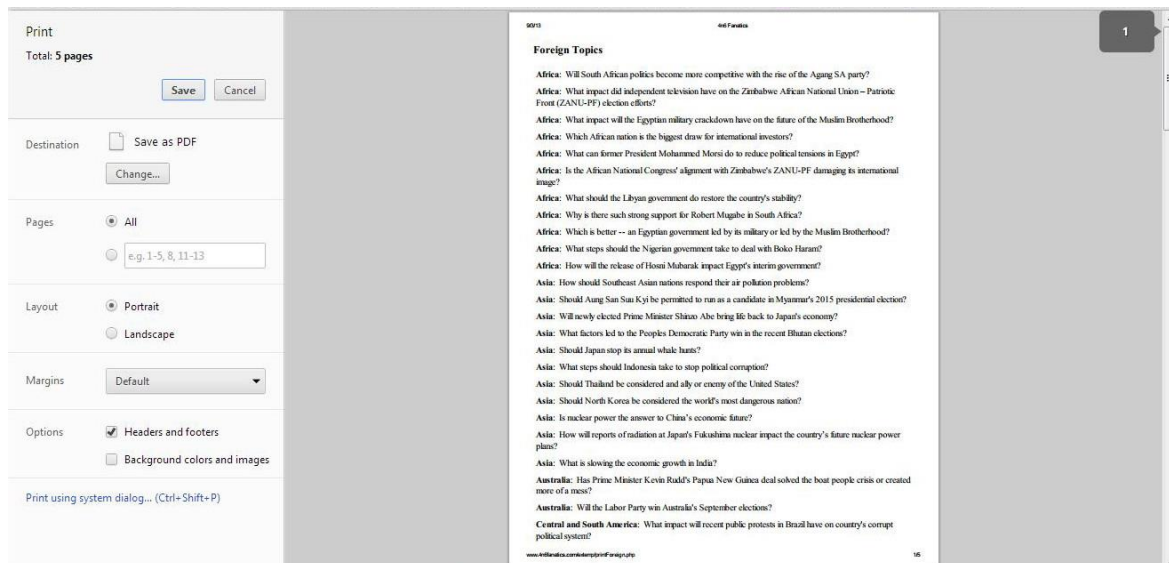

To view and/or print all DX or FX Extemp topics:

7. Select the View All Extemp Questions Button

NOTE: You will have to use the scroll bar on each column to view all of the list(s).

8. To Print all DX or FX Topics: Click on the “click to print” link at the top of either column. A new window will open with the Print Options visible.

9. You can also print a .PDF version of the new extemp topics each month from the VAULT OF CUTTINGS.
