Domestic Topics are Blue | Foreign Topics are Red

Topic	Question	Month/Yr	FX or DX
Entitlements, Health and Health Care	Should the age limit for full-retirement benefits be raised?	07/2018	Domestic
Entitlements, Health and Health Care	Should the federal government restrict the non-medical use of antibiotics?	07/2018	Domestic
Africa	What is different about the 2018 Ebola outbreaks in Africa?	07/2018	Foreign

To narrow the random "Draw" by topic

4. Select topic(s) from either the DX and/or FX lists by clicking on the topic. To select more than one topic, hold down the shift key while making your selections.
5. You may select any number of narrowing options from any of the option boxes. Just ensure that the shift key is held down while making all selections.
6. Once selections are made, return to STEP 2 (see above).

To view and/or print all DX or FX Extemp topics:

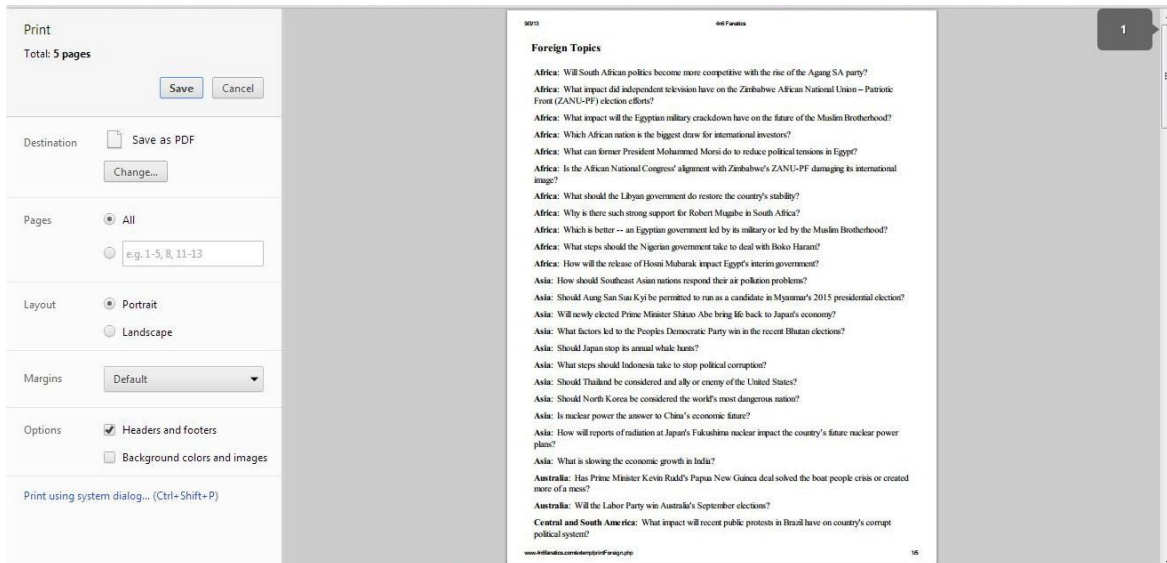

7. Select the View All Extemp Questions Button

NOTE: You will have to use the scroll bar on each column to view all of the list(s).

Domestic Topics are Blue | Foreign Topics are Red

Domestic Topics <small>(click to print)</small>	Foreign Topics <small>(click to print)</small>
Business: How would a merger between U.S. Airways and American Airlines affect the country's airline industry?	Africa: Will South African politics become more competitive with the rise of the Agang SA party?
Business: What can be done to resurrect AOL's business profile?	Africa: What impact did independent television have on the Zimbabwe African National Union – Patriotic Front (ZANU-PF) election efforts?
Business: How would a U.S. Airways-American Airlines merger impact consumers?	Africa: What impact will the Egyptian military crackdown have on the future of the Muslim Brotherhood?
Business: Will America's fast food industry successfully unionize?	Africa: Which African nation is the biggest draw for international investors?

8. To Print all DX or FX Topics: Click on the "click to print" link at the top of either column. A new window will open with the Print Options visible.

9. You can also print a Word version of the new extemp topics each month from the VAULT OF CUTTINGS.
